

POSITION DESCRIPTION

Position details

Position Title	Senior Solicitor 1
Team/Branch/Group	Legal, Corporate, Governance and Information
Location	Wellington
Date	August 2019

Our purpose

Our purpose is to grow the New Zealand economy to provide a better standard of living for all New Zealanders. To achieve this, we need a strong, high performing economy, where for example, people (workers, consumers and investors) are protected and aware of their rights and obligations; and the integrity of the environment is maintained.

As one of New Zealand's largest government agencies, the work we do impacts the lives of all New Zealanders. We work to increase household incomes by helping businesses to be more productive and internationally competitive, increasing opportunities for all New Zealanders to participate in the economy through improved job opportunities, and by ensuring quality housing is more affordable.

This is all echoed in our Māori identity – HIKINA WHAKATUTUKI – which broadly means “lifting to make successful”.

How we work

Our aspiration is that MBIE is a great place to work where great work gets done.

We believe in harnessing the potential of our people and the diverse skills and life experiences they bring to MBIE.

Our targets are challenging and require us to work with others, and across the Ministry (making the most of our size and scope).

Our people will need to adopt a generous disposition and actively seek out opportunities to be purposely collaborative across MBIE. This means asking ‘why not?’ instead of ‘why?’, and leveraging off the collective that is MBIE in the pursuit of goals that stretch right across teams, branches and groups.

We work across government, and New Zealand, in a way that enables us to expand and deepen our understanding of businesses and markets. We use our extensive presence across New Zealand and around the world to make and leverage domestic and global connections.

With our Crown entity partners we work collaboratively with other government agencies; local government; businesses; industry, sector, union and employer groups; consumer groups; Māori leaders; and scientists to develop and deliver fit-for-purpose policy, services, advice and regulation that support people, businesses, communities and regions to be successful.

As the lead agency for providing government services for business, we are focussed on making it easier for business to interact with government.
